Email (required): _____

How long have you been a TPS Volunteer? _____

What experience have you had coordinating other people? (Use additional paper if necessary)

What experience have you had coordinating events? (Use additional paper if necessary)

The Regional Coordinator will coordinate the local Volunteer Network. The Volunteer Network shall consist of other TPS Volunteers in the area. Together, the volunteers shall plan activities that promote the goals of The Planetary Society. Please indicate the type of events you would like to see your Network organize:

I have read the attached Regional Coordinator Guidelines and understand how I may best promote the interests of The Planetary Society.
