SENT A MESSAGE TO THE MOON ON

Thank you for joining us on *SELENE*, a mission that will measure a range of observations to study the origin and evolution of the Moon. *Wish Upon the Moon* is a joint campaign of The Planetary Society, The Planetary Society of Japan, and the Japan Aerospace Exploration Agency (JAXA).

Your message to Earth's Moon will be printed on aluminum foil and carried aboard the spacecraft, becoming a permanent record of your participation in the story of space exploration.
